Steinar H. Sunde AS

# Mechanical Joints

- The clamp connector that has become a standard in the process industry
- Production in Aberdeen, Scotland at Grayloc's head office
- Manufactured in most known steel qualities
- Comprehensive stock of products in Bergen

Steinar H. Sunde AS

# Pipe Support

- LISEGA is a world leading manufacturer of pipe support systems
- Spring hangers, spring supports and pipe clamps
- Shock absorbers, energy absorbers and rigid struts
- Flexible, compact and lightweight design
- Service organization for installation, inspections and maintenance
- LICAD software with integration to most common CAD and pipe design systems

Steinar H. Sunde AS

# Process & Explosion Safety

Safety is for life.™

- Rupture discs for the process industry
- Signaling for burst discs
- Explosion vents
- Explosion prevention
- Flameless venting
- Grounding equipment

Steinar H. Sunde AS

# Sourcing Services

- Over 20 years of sourcing service to our customers
- We have developed significant knowledge of sourcing materials
- More than 700 different suppliers and manufacturers in our database
- Many large companies use us for sourcing of special items and spare parts

Steinar H. Sunde AS

# Valves

- Auxiliary valves
  - In-line maintenance and repair, increased life span, reduced cost
- On/off valves
  - Standard valves acc. To frame agreements, specialties, custom made solutions
  - Actuators, gear, spare parts

Steinar H. Sunde AS

# Valve Care

- Advisory and consultancy
- Seminars and courses
- Cost saving valve repair
  - Auxiliary valves for in-line repair
  - Increased life expectancy of valves
- Special lubricants, cleaners and sealers

Steinar H. Sunde AS

# Vibration Control

- Steel spring elements for heavy machinery, turbines, pumps etc.
- Viscoelastic dampers for heavy machinery, piping systems etc.
- Tuned Mass Dampers (TMD) for bridges, balconies, machines and piping systems
- Vibration diagnostics and monitoring
- 3D simulations with sophisticated software for static and dynamic loads
- Design of standard and customized products

Steinar H. Sunde AS

# Castings and Forgings

- AML manufacturing of castings in most material grades
  - Production capacity 250Tm. Net
  - Norsok M-650 approved
- Loire Industrie Forgings in most material grades
  - Large stock of raw materials, short delivery time
  - Finished, semi-finished, flanges, discs, roll rings.

is registered in Magnet JQS as a supplier.

  
Tove Elin Henriksen  
Magnet JQS Service Responsible

Magnet JQS is a supplier register and a service that supports qualification of suppliers. Suppliers registered in Magnet JQS are instantly made available to buyers on the Norwegian continental shelf and in other parts of the world. Buyers use Magnet JQS as basis for preparation of bidders lists directly or together with additional qualification criteria established by the individual company.
